

West Pictou Consolidated 7 and 8 French Immersion  
School Supply List 2020-2021

The following is a list of supplies required for grade 7 and 8 French Immersion students at West Pictou Consolidated School for 2020-2021. Please note: students will be unable to share supplies or use classroom supplies this year and they are encouraged to bring their own lunch and pre-filled water bottle from home. Also, due to the fact that students in grades 7 and 8 will not have the use of a locker at school this year, we have modified our list from previous years and have a few suggestions as to how they might wish to organize their belongings.

Supplies:

- a backpack
- 2 - 2" binders (large enough for all subjects)
- dividers (2 packages)
- looseleaf (2 packages)
- graph paper (1 package OR graph paper post-its)
- 2 duotangs with pockets inside
- a pencil case
- pencils (2 boxes)
- pens (1 package black OR blue)
- white erasers
- glue sticks
- coloured pencils (a small package of about 12 pencils will suffice)
- scissors
- a ruler
- a small, handheld pencil sharpener for personal use
- a calculator (an inexpensive scientific calculator is suggested - if possible)
- a lunch bag
- a personal, reusable water bottle (fountains will not be in use)
- non-marking sneakers (to be worn in the building as indoor shoes and for Phys. Ed.)
- mask(s) (non-surgical or homemade is fine) - will be needed on the bus, and possibly in the hallways
- 1 package of cleaning wipes OR 1 spray bottle of disinfectant (antibacterial and antiviral)
- personal supply of kleenex (to be kept in their backpack)
- suggestion: small bottle of hand sanitizer for personal use

Suggestions:

- Binders: Students should only take one binder with them to school daily, containing: one package of looseleaf, dividers for each subject and 1/2 package of graph paper OR graph paper post-its. When their school binder starts getting full they can transfer some of their work to the second binder at home.
- Pencil Case: There should be 3-4 pencils, 3-4 pens, a glue stick, coloured pencils, scissors, a ruler (if small enough), a pencil sharpener and a calculator in their pencil case at all times.
- Remaining Supplies: Remaining looseleaf, graph paper, pencils, pens, erasers etc... can be stored at home to restock their supplies as needed.

Please label all materials if possible. Thank-you!
