Old Business/Items arising from Minutes:

- Chris will ask to borrow the washer toss from highschool.
- Chris called Natalie Bakody and she was under the impression that Morris was no longer working and had since retired. Sarah will contact Morris personally.
- Community and business support tabled until Rae Gunn can attend the meeting.

Ask program, Completed PD on our Math goal.

School Success Plan and Professional Plan:

B Math update we are picking outcomes that are considered an issue in the grades and identifying some quick assessments in order to gain some data as to where students are currently. We will move on how to support students in the areas highlighted and reassess following the intervention.

C.MDI results. Our grade 4's are very happy but there is still a notable decline in middle school. Our data is around the same as the board or just below.

New Business:

D. No requests for money

E. HPS newsletter link will be sent out by Lynn to the SAC committee for review.

F. ASK program is starting at West Pictou for outside. The ASK program is an outdoor education component. Outside agencies will be helping out with various mental wellness and outdoor activities.

Sarah Wilson moves to set aside 500\$ to get basic resources for the ASK program. Chris Georgeson seconds. All were in favor. Motion passes

7. Principal update.

We have a primary registration number update and we are currently at 32 new students. There are a few transfer students but the board is waiting until after July into August to approve them.

Report cards go out in April

French immersion numbers are ok at 18, but we need 20 for the program to be viable.

We are running low on funds as we haven't been allowed to do fundraising with Covid in the fall. We have looked into Vessey Fundraiser. but it is canceled due to covid.

Staffing talks have started but we are not privy to it at the school level.

Next meeting is April the 6th at 4:00 PM.

Closing:

Kim Tetreault moved to adjourn the meeting. Michelle Langille seconded it.
